

Courses and exams at HEC Lausanne (UNIL) for students from other faculties and EPFL

Academic year 2021-2022

Note: "Free movers" and EPFL "visiting students" are not admitted.

Bachelor courses

Students may choose HEC Lausanne courses in the 2nd and 3rd years of the Bachelor program (except "Business English" and "English for Studying Economics" courses, Individual Project and internships) in both specializations: Economics and Management.

Master courses

Students are allowed to take courses in the Master programs courses **provided that they have achieved a minimum of 180 ECTS credits. This level of studies must be proved by the student with the submission of a copy of the Bachelor official transcript of records to the contact below at the time of the HEC Lausanne exam registration.**

Master courses in Accounting, Control and Finance (MScCCF) and in Actuarial Science (MScAS), as well as some courses in the Master of Management (please refer to the syllabus) are not open to exchange students.

Contacts

For additional information (courses, exams, etc.) please contact the administration at HEC Lausanne, Chamberonne area, Internef building, 2nd floor:

<p><u>Exchange students</u> hec.incoming@unil.ch Office 256 Inès Rosati</p>	<p><u>Bachelor regular students</u> hecbachelors@unil.ch Office 261</p>	<p><u>Master regular students</u> hecmasterexamen@unil.ch Office 258</p>
